Terry has 30 years in the transportation industry, and co-founded T.L.K. Air Care, Inc.//dba//AIT Worldwide Logistics with his wife (Lori) in Nebraska, July of 1991. They have grown the company to over 40 employees in the past 17 years and now operate four separate transport companies, doing business in Nebraska - see www.tlkomaha.com.

He also led the effort to re-establish the "General Purpose" Foreign Trade Zone in August of 2006, after it had remained empty for over 20 years, and it has been in active use - ever since. As the President of Cargo Zone LLC, he is also the Administrator of the F.T.Z., and he works to bring the benefits to those companies in Nebraska, that can utilize the zone.

As the President of the Nebraska Logistics Council in 2007/2008, Terry helped promote the Nebraska Advantages of Transportation, Distribution, Warehousing, and Logistics - not only on a national level - but on a global basis. Working with the NDED, MITA, and the NLC - he has helped to educate companies on international trade, both import and export.
